Dear Resident,

Location of works: Hinckley Road, Leicester Forest East

Description of works: Carriageway Repairs.

I write to inform you that Leicestershire County Council contractors are due to carry out carriageway repair work on the above site commencing on 6th March 2024.

To enable our contractors to safely carry out the works we will need to temporarily close and restrict parking on Hinckley Road, from Braunstone Lane to Kirby Lane for up to 2 nights and then from Kirby Lane to Beggars Lane for 1 night.

The works will be carried between the hours of 20.00 and 06.00, please be advised due to the nature of the works there will be some level of noise and disruption. This is unavoidable however, efforts will be made to keep this to a minimum.

Please follow the designated diversion route or ask an onsite traffic management marshal for assistance. Details of the closure and diversion can be found on <https://one.network>

Access to your property will be restricted and delays are likely during this time particularly when it will be unsafe to negotiate open excavations and detrimental to travel on freshly laid hot surfaces and/or newly lined surfaces.

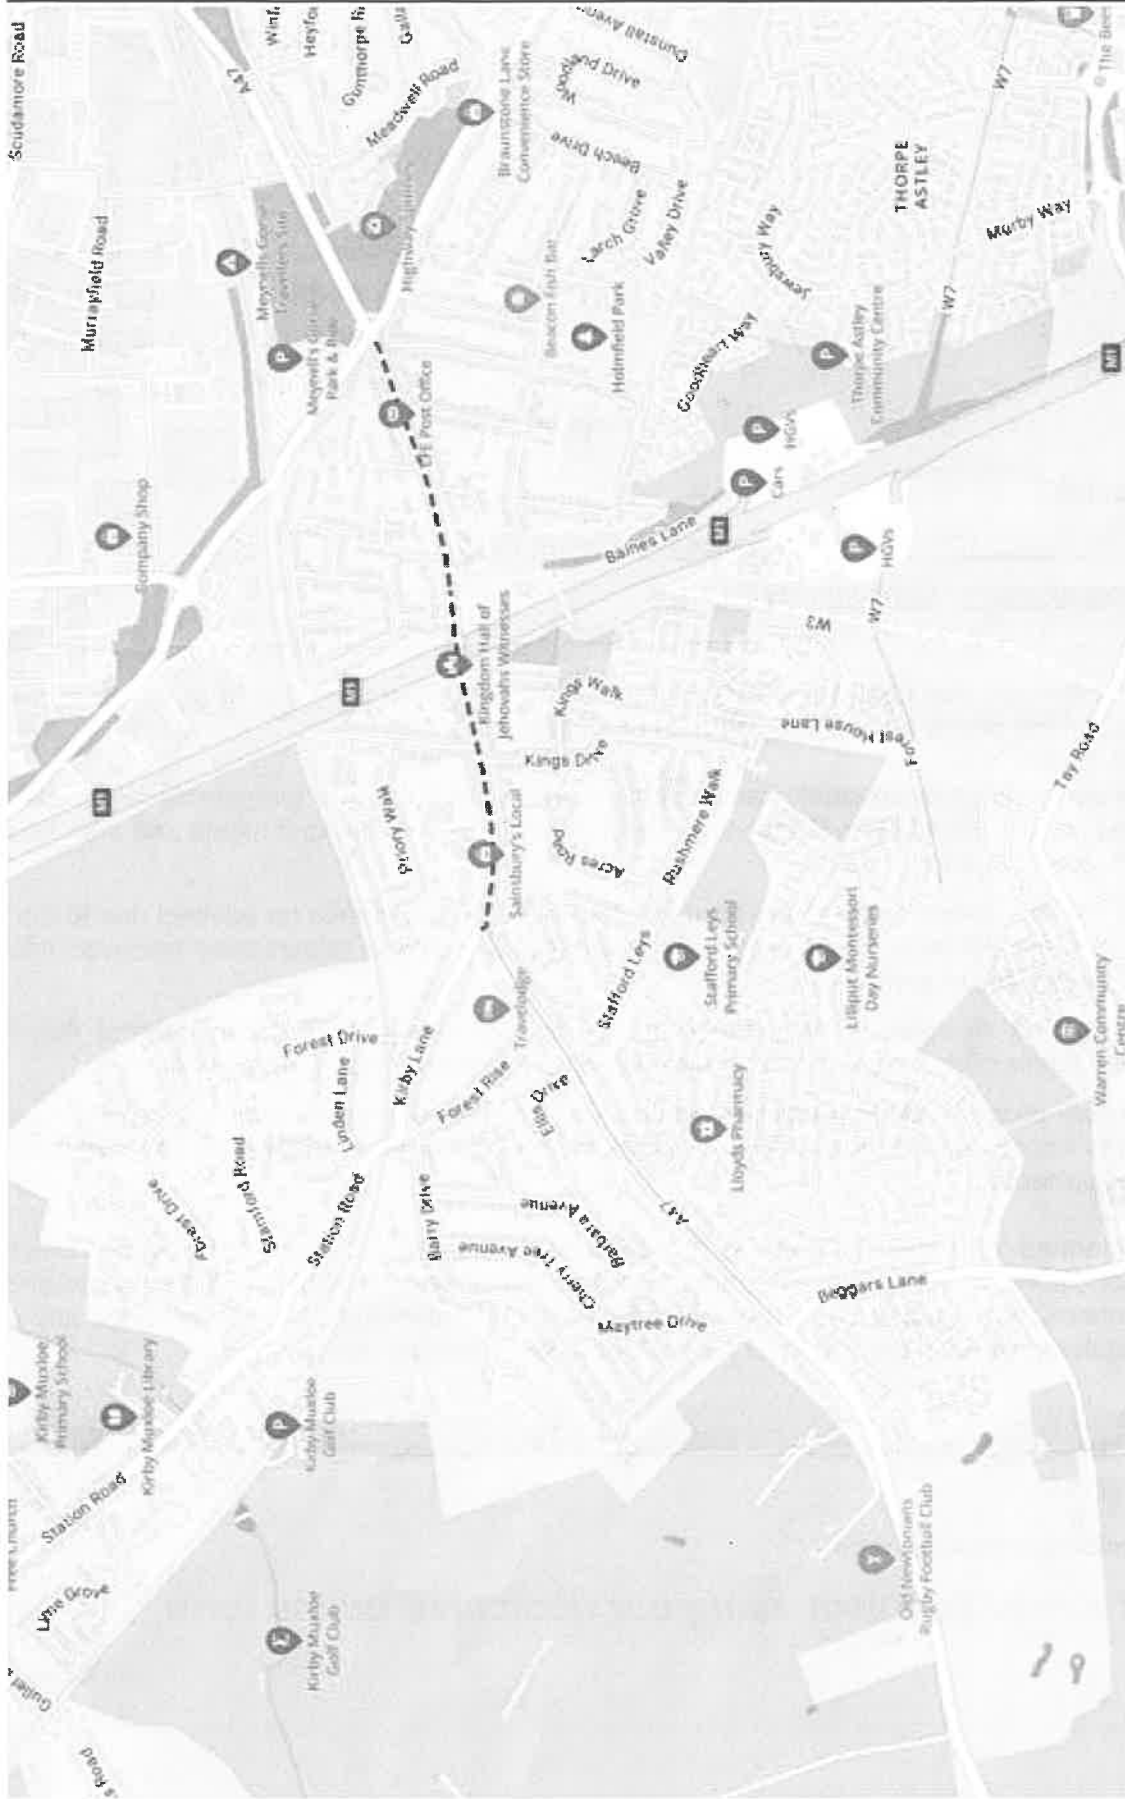

The date planned for these works are as firm as possible but could be subject to change due to poor weather conditions or unforeseen circumstances. During the works it is inevitable that some disruption may be caused, and I thank you in advance for your understanding. Should you have any queries concerning these works please contact me on the number detailed above.

Kind regards
