What we are doing

Priority 1 Road Safety:

- Conducting Speeding Enforcement when the issue is most prevalent, sporadically but regularly across the beat.
- Issue Traffic Offence Reports (TORs) for offences.
- Utilising beat surgeries to educate members of the public as to road safety and to encourage the reporting of such behaviour which is contrary to this.
- Conducting high visibility patrols of hotspot areas to deter further offences from occurring.

Priority 2 Antisocial Behaviour (ASB):

- Patrols of Parks and other recreational and business areas where ASB is being reported to be occurring.
- We have been engaging with local youths discouraging them from becoming involved in such behaviour.

Priority 3 Burglaries:

- Targetted patrols of the beat area to deter burglaries from occurring.
- Giving out crime prevention advice to members of the public.

News

We have been continuing work on the beat in relation to anti social behaviour particularly at a shop in Glenfield. We have had some good results and have managed to identify a number of individuals involved in this behaviour who have been dealt with accordingly.

We have also been dealing with vehicle related anti social behaviour in the Glenfield area and have also identified a number of vehicles involved in these activities. Warnings have been given to the owners of these vehicles and should they come to our attention in the next 12 months we can seize the vehicles off them.

We have also had members of the public ask for advice with regards to E-Scooters in Leicestershire. As it stands currently they are classed as motor vehicles therefore require the same documentation e.g tax, MOT, insurance etc to comply with road traffic legislation.

Please take a look at our events at the bottom of the page. If you are around at the time please do come along and say hello!
