LIONEL BART'S  
**OLIVER!**

January 2024 is the start of the Kirby Players 80th anniversary year!

We hope that you can join us and enjoy Lionel Barts wonderful Musical, Oliver. We'll take you on a musical walk through the streets of Victorian England. You will witness poverty, starvation, exploitation and villainy, set against a spirit of happiness and hope.

Our company will recreate the Dickensian world so wonderfully chronicled by him. The story will take us on a journey of an orphan boy from the workhouse, being sold as a commodity and then, acting as a common thief, before finding salvation with the family he never knew he had.

The show is full of songs from 'Food Glorious Food', 'You gotta pick a pocket' and 'As long as he needs Me' to 'Where is Love?' It will have you laughing, crying, singing along and cursing the skullduggery of the Villains he encounters.

Don't leave it too long to book your tickets for this wonderful production in January 2024.
